NORTH HARRISON HIGH SCHOOL

The faculty and students at North Harrison High School are committed to moral development as the foundation for well-being, strong character, and good citizenship. I therefore adopt the following Honor Code with the goal of cultivating a school community based on trust, integrity and honor in academic, athletic and social endeavors.

I will be honest and forthcoming in all my actions.

I will treat others the way I would want to be treated.

I will extend courtesy, kindness and respect to others.

I will respect our school building and each individual's personal property and will treat them with care.

I will strive for a sense of cooperation and pride in all our school programs.

I will have the courage to report incidents of bullying in any form, and report the possession of rugs or weapons on the school campus.

I will uphold this Honor Code and will exhibit these same behaviors when I represent NHHS off campus.

I believe that the task of upholding personal, academic, and athletic integrity is entrusted to each of us. Any dishonesty violates this trust, gives unfair advantage to undeserving students and harms the entire community. Violating this Honor Code will result in appropriate disciplinary action. More importantly violations will jeopardize one's personal honor and self-respect. Both are far more detrimental to future success.

I accept responsibility for my actions and understand the importance of signing this Honor Code.

HONOR CODE

STUDENT ATTENDANCE POLICY

Regular attendance is necessary for a student to succeed in school. The North Harrison Community School Corporation firmly places the responsibility for regular school attendance on the student and his/her parent or legal guardian.

Students must be present to benefit from the concepts discussed in class and to carry out their responsibilities as students. When absenteeism noticeably affects a student's academic or personal success, or is in violation of the School Board Policy, the school shall take such action as deemed necessary to maintain good attendance.

The adopted North Harrison High School Attendance Policy allows a student to be absent from class for no more than **five (5)** days without possibly losing credit in that class.

All excused absences, unexcused absences, and trancies will be counted toward the excessive absence limits.

Any student who exceeds **five (5)** days during a semester could be removed from that class, placed in study hall, and could receive a failing grade for each class that is affected by excessive absences. After being removed from **four (4)** classes, a recommendation for expulsion will be made. In addition, according to Indiana State Law a student is subject to losing a work permit and/or driver's license due to excessive absenteeism.

It is the responsibility of the parent/guardian to notify the high school office of the reason for the absence: by phone on the day of the absence AND in writing on the day the student returns to school. This note is required even if sent home sick by the nurse or health clinic. The note should state the reason the student was absent and the date of absence. If the office is not notified **WITHIN TWO DAYS** the absence will be unexcused, and **zeros ("0's")** will be earned in each class. It is also the responsibility of the student and his/her parent/guardian to keep an accurate count of all days absent, either excused or unexcused. The school will notify the parent at the following intervals:

- * Parents will be notified by a letter, when a student has been absent **three (3)** days and then again at **five (5)** days during a each semester.
- * When a student has been absent **five (5)** days during a semester, the parents will be notified that the student has reached their excessive absence limit and a conference may be scheduled regarding the student's absence.

Realizing that there are exceptions to every established policy, the student and parent/guardian may request a conference with the attendance committee to discuss extenuating circumstances. Examples of extenuating circumstances would be hospital stay, surgery, having a contagious disease, severe allergies, chronic illness, migraine headaches, diabetes, hospitalized parent, **something documented by a Doctor, etc.** emergencies or acts of God (severe weather).

TYPES OF ABSENCES

UPON RETURNING TO SCHOOL AFTER ANY ABSENCE (full or part days) THE STUDENT MUST PRESENT A NOTE TO THE OFFICE.

*** The school reserves the right to determine if an absence is excused or unexcused.**

Excused absences DO COUNT toward the allowable limit of **five (5)** absences per semester.

Excused absences - If your absence is caused by one of the reasons listed below, it will be excused.

1. Illness of a student or serious illness of a member of his/her immediate family. Extended absence due to injury or chronic illness will be considered on an individual basis.
2. Funerals: a) in the immediate family; b) persons outside the immediate family when requested by parent/guardian
3. Medical/dental/eye appointments covered by a written statement that can not be scheduled outside the school day. Students will be excused for travel time and the appointment time only not for the entire day unless specified by the Doctor.
4. Religious holidays with a week advanced notice to the office.
5. Drivers license appointments for the time of the appointment and travel, not the entire day.
6. Legal appointments for probation, attorney or court appearances/documentated by legal authorities.
7. Legislative page or poll worker will be counted as a field trip.

8. College visitations will be counted as excused provided that the student is passing all classes, hasn't missed more than 5 days of school and they return with their college visitation form signed by the college. Forms must be obtained and approved prior to the visitation from the guidance office.
9. Other highly extenuating circumstances for absences, which will be determined by the administration prior to or the day of the absence

An excused absence permits you to make up missed assignments and tests provided they are on time and in full agreement with the instructions of the teacher. It is the student's responsibility to find out what class work was missed. The teacher will arrange a time for make-up work with the student at the teacher's discretion.

The written statement must be presented to the office when the student returns to school. NO parental statement will be accepted in place of the doctor's written statement.

Planned absence - before a planned absence, the student must complete AND TURN IN the "Request for a Planned Absence" form ten (10) instructional days prior to the date and must request homework assignments.

After a planned absence, a student must turn in homework upon returning to school. Any tests that were missed must be made up at the teacher's discretion.

Unexcused - If a student's absence is NOT caused by one of the excusable reasons listed above the absence will be unexcused. The school encourages the student to make-up the missed work, but a zero (0) will be recorded for any work that is unexcused. Examples of unexcused absences include, but are not limited to:

1. Truancy
2. Absence due to oversleeping, transportation problems
3. Failure to receive verbal permission from the office when leaving during the school day.
4. **After five (5) absences, only medical notes or absences approved by the administration will be excused.**

Truancy - A student is truant if he/she is absent from school without parent/guardian permission or knowledge; leaves school or class without getting permission from the office; comes to school, but does not attend classes; or, obtains permission to go to a certain area but does not report there. Truancy will be counted as an unexcused absence and could result in a suspension from school. North Harrison High School does not condone or recognize a Senior Skip Day. Students who participate could be suspended for up to five (5) days and could jeopardize graduation. Parents are asked to support the school in this matter.

TRUANCY COURT WILL BE HELD AT NHHS WEEKLY OR AS NEEDED

If a student is absent from school, he/she will not be able to attend, work or participate in any athletic, extra curricular or social events the same day, except on special prior approval from the administration. Absences on Friday will not affect activities that occur on Saturday.

Early Dismissal: Students must receive permission from the office before leaving the building during the school day. The parent/guardian must contact the school personally by phone or in person for permission to be granted. Notes to leave school during the day must include the reason and must be presented at the office before school starts so they can be verified before the student leaves. The student must sign out in the office before leaving. Upon returning, the student must report to the office to sign back in. Any student failing to follow these procedures will be considered truant.

Field Trips: Students who do not attend school on a regular basis will not be permitted to leave school to go on field trips. This will be a judgment of the administration. No student will be allowed to go on a field trip if they have ANY failures the previous six weeks.

MAKE-UP WORK:

- All students who have been absent will be given the opportunity to make up their work. It is the student's responsibility to request the make up work from their teacher as soon as they return to school. The teacher will determine when assignments, tests, quizzes and long term projects are due. Make up work will be covered by each teacher's syllabi and will be posted in their room. Excused absences will count; unexcused absences and truanancies will be zero's ("0's").

REQUEST FOR SPECIAL CONSIDERATION: Realizing that there are always exceptions to every established policy, extenuating circumstances concerning excessive absences will be considered upon their individual merit.

- The student must be doing passing work in the class(s).
- The request must be made with five (5) days of the absences.
- The absence was an excused absence.
- Documentation must be provided to show that there was an extenuating circumstance.
- The parent/guardian and student are solely responsible for obtaining all documentation.
- If the student does not meet the obligations of the process, or the request is denied, the student will not receive credit for the classes affected.
- A decision to approve or deny the request will be made by the Administration and all affected parties will be informed of the decision.

TARDINESS:

1. Late to School—Anytime a student arrives after 8:20 AM, he/she must report to the Office and sign in, provide a reason for tardiness, and obtain an admit slip to class. Tardies are not being in your seat with materials when the bell rings.
2. Late to Class—Teachers will record each tardy in their computer. It is the responsibility of each student to be to class on time. Tardies are accumulated per semester. Anything after half the period is counted as an absence and is no longer a tardy.
3. Tardiness for class is not being seated in the classroom in your correct seat. Each teacher will discipline tardiness. The consequences for being tardy to school or class are as follow:
 First & Second Tardies – Warnings from teacher
 Third & Fourth Tardies – 45 minute detention after school to be served within two days of tardy
 Fifth & Sixth Tardies – In School Suspension (ISS)
 Seventh Tardy – Harrison County Alternative School

In-School Suspensions will be served by assignment of the assistant principal.

****If a student is habitually tardy to class the principal or assistant principal may increase the above consequences for the student.**

GENERAL INFORMATION

ACCIDENTS: Injuries that occur on school grounds or school-sponsored activities that are away from the school must be reported to the school office immediately, no matter how small the injury.

It is very important that each student have on file an “Emergency Procedure Card.” This information will assist school officials in determining the procedure to follow in case of injuries. In the event the emergency procedure card is not on file, or the parents cannot be contacted, the officials will use their own judgment about the care of the student.

ANNOUNCEMENTS: All notices of club meetings, athletic, and social events, general information and specific instructions will be included on the morning written announcements. Students responsible for making announcements should have their notices approved by their advisors.

ARTICLES PROHIBITED IN SCHOOL: **Hazardous items such as toy guns, water guns, knives, etc.,** will be taken from the student if brought to school. **RADIOS, HEADPHONES, ELECTRONIC GAMES, LASER POINTERS, IPODS, SILLY STRING MAY NOT BE BROUGHT TO SCHOOL. They provide one of the few opportunities in school to learn formal audience behavior. Regardless of the type of program, courtesy demands that the student body be respectful and appreciative. In live entertainment, unlike movies, the performers are very conscious of their audience. Those not courteous to the performers and fellow students will be asked to leave the assembly area.

CAFETERIA REGULATIONS: Students must consume lunchroom food and beverages in the cafeteria. Students are to remove all material they have placed on tables before leaving the lunchroom. Trays and utensils are to be taken to the window at the end of the lunchroom and placed carefully in the space provided. All paper items are to be placed in the trashcans provided.

SCHOOL LUNCH PROGRAM: Lunches will be served in the school cafeteria each full day that school is in session. Price for students is \$2.25 and adults \$2.75. There is a possibility that the above lunch prices may be changed due to increases in expenses incurred by the cafeteria. All meals and a-la-carte items **MUST** be paid for out of the prepaid account or with cash at the time of purchase. **NO CHARGING WILL BE ALLOWED.** Applications for free and reduced lunches may be obtained in the office.

CELLULAR TELEPHONES AND ELECTRONIC COMMUNICATION DEVICES: Student possession of any electronic communication devices is prohibited during school hours. Students shall NOT use cell phones, camera phones, or other electronic communication devices (ECD' s) personal digital assistants (PDA's) and other devices designed to receive and send an electronic signal during the school day_ Cell phones, ECD's, etc., must be kept in the student locker, turned into the office, and be turned off during the school day. In addition, students are not permitted to use cell phones, including camera phones, or ECD's to record/store/send/transmit the spoken work or visual image or any person, including other students or staff members, or educational instrument/Document any time while on school property. Finally, students may not use cell phones or ECD's on school property to access and/or view internet web sites that are otherwise blocked to students at school. The student who brings a cell phone or ECD to school is responsible for its care. The board is not responsible for preventing theft, loss, damage, or vandalism to these devices on school property. Parents/Guardians are advised that the best way to get in touch with their child during the school day is by contacting the school office. Students may use school phones to contact parents/guardians during the school day.

EXTRA-CURRICULAR ELIGIBILITY CODE

We encourage students to be involved in extra-curricular activities offered by North Harrison High School. We feel they provide learning experiences not offered in classrooms. However, there is a strong feeling that students should be passing classes. A student's academic work must come first and be the most important aspect of their school experience. For a student to be scholastically eligible a student must be passing a minimum of five classes. The grading periods are nine weeks in length and eligibility to participate will be determined when report cards are issued. NOTE: Semester grades will take precedence over nine week grades. The following groups are identified as extra-curricular at North Harrison High School: Academic Super Bowl, Art Guild, Athletics, Winter Drumline, Winter Guard, Flags not enrolled in band, Musicals, Plays, Chess Club, Drama Club, FCA (Fellowship of Christian Athletes), FFA (Future Farmers of America), Leo Club, National Honor Society, Prom Committee, Pep Club, Renaissance, Ski Club, Student Council, Class Officers and any Other school-sponsored activity that requires after school practices or events. Should a student be assigned to the Harrison County Alternative School, that student is not to practice, participate, observe, or attend any activity of North Harrison High School.

EXTRA HELP: Students may always seek extra help from teachers if they do not understand an assignment, if the work is difficult, or if they have been absent and have missed assignments and class discussion. Arrange conferences with teachers before or after school or at a time convenient to both of you during the day. A TEACHER MAY, WITH PARENT PERMISSION, REQUEST A STUDENT TO STAY AFTER SCHOOL IF IT IS APPARENT THAT THE STUDENT IS HAVING DIFFICULTY WITH HIS WORK. This is not to be thought of as punishment but rather as support from a teacher who wishes to see a student succeed.

FUND RAISING: The high school principal approves the annual fund raiser by the Junior Class. The majority of the profits of this sale is to be used for the Prom and related activities. Any other fund raising campaign that involves solicitation of the general public is prohibited without the principal's approval. All school organizations must adhere to the requirements of the State Board of Accounts concerning the receiving, depositing, and disbursing of funds. All money collected for any school purpose must be deposited promptly with the bonded treasurer. A receipt will be issued for the money received. Each class organization retains the initiative for control and expenditure of its funds. However, no payments shall be made from the fund without the approval of the sponsor of the organization and the high school principal. All bills should be paid within 30 days. Accurate and up-to-date accounts must be kept at all times by groups collecting and disbursing money. Sponsors and student treasurers should see that no money is left in the building overnight.

GRADUATION CEREMONIES:

Graduation Ceremonies will be held at the conclusion of the school year. It is a dignified ceremony and will be treated as such. Silly string, beach balls, and other noisemakers or party supplies are prohibited from the building. Out of respect for each graduate and their families, please abide by these requests. Only those students who have completed all requirements by the high school will be allowed to participate in Commencement. Students who fall short the number of credits required will not be allowed to participate.

HALL PASSES: Your student handbook will serve as your hall pass. Anytime a student leaves a class the teacher should write the time and destination on the calendar page for that day. Students are limited to one hall pass per day (unless an emergency arises). Teacher assigned tasks will not count toward the 1 per day limit. Students must have their handbook anytime they leave class. Students are not to tear out the pages of the hand book at any time. Replacement cost of the hand book is \$8.00.

HOMECOMING: The Student Council will sponsor Homecoming. It will involve six senior attendants and their escorts. We will have fall and winter events. The selections of Queen candidates and King candidates will be for one event only and they will not be allowed to be in both.

LIBRARY: The materials in the library are the property of the school corporation and are for the use of all students. The collection contains books for leisure reading, required reading, and for reference use. In order to assure fair use of the library materials for everyone, the following regulations have been established.

1. All students may borrow library materials that circulate.
2. Any materials to be taken from the library must be registered at the circulation desk and returned promptly when due. The borrower will be held responsible for all materials charged to him/her.
3. Books may be checked out for four (4) weeks with the privilege of renewal if they are not reserved.
4. Magazines and vertical files DO NOT circulate.
5. Reference books must be used in the library.
6. Lost or damaged books should be reported to the librarian as soon as possible.
7. The library is a place for reading and study. Students are expected to be quiet and orderly there at all times.
8. Students are encouraged to use the card catalog that is the "index" to the library. The librarian is always willing to help students find needed materials.
9. Suggestions for purchase of materials or improvements in service are always welcome.
10. Library passes are a privilege; use them wisely.

LOST AND FOUND: Lost and found articles are to be turned in to the office. Lost articles that are not claimed within a reasonable length of time will be donated to Goodwill Industries. At no time should students take something without conferring with a secretary about whose the item might be. Always ask.

LOCKERS: Any and all lockers that are made available for student use on the school premises remain the property of the school corporation. These lockers are made available for school use. In order to implement the School Corporation's policy concerning student lockers, North Harrison High School adopts the following rules and regulations:

1. **LOCKS**—Students may not use their own locks. Any unauthorized locks may be removed without notice and destroyed. We encourage students to buy locks from the office for \$5.00
2. **USES OF LOCKERS**—Lockers are to be used to store school supplies and personal items necessary for use at school. Personal property and property that you are responsible for **MUST** be stored in your locker. Students will be expected to keep their lockers in a clean and orderly manner. Students will not share lockers or combinations.
3. **AUTHORITY TO INSPECT**—The school corporation retains the right to inspect lockers to insure they are being maintained in accordance with the conditions of Rule number 2. All inspections of student lockers shall be conducted by the principal, or a member of the administrative staff designated by the principal.
4. Lockers are to be used instead of backpacks. Backpacks are to be stored in your locker during the day. Students will not have backpacks with them during the school day. You **MUST** stay in the locker that was assigned to you at the beginning of the school year.

PHYSICAL EDUCATION UNIFORMS: North Harrison High School has adopted a standard Physical Education uniform that will be purchased through each student's book rental or through the P.E. teachers. The uniform is appropriate for activity and modest in nature.

PEST CONTROL POLICY: The school corporation is committed to providing students a safe environment. It seeks to prevent children from being exposed to pests and pesticides. While pesticides protect children from pests that may be found in the school and its surrounding grounds, under some circumstances they may pose a hazard to children. Therefore, pest control practice may involve a variety of chemical and non-chemical methods that are designed to control pests effectively, while minimizing potential pesticide exposure to children.

This policy does not apply to the use of the following pesticides:

1. When used in normal cleaning activities, germ killers, disinfectants, sanitizing agents, water purifiers and swimming pool chemicals
2. Personal insect repellent when self applied
3. Gel baits or manufactured enclosed insecticides when used where students and staff members do not have access to the insecticides.

Pesticides will be applied by certified pesticide applicators and when students and staff members are not present, such as during non-instructional time or school vacation periods.

POSTERS: All posters and announcements to be displayed anywhere in the school building must be approved by the principal or the assistant principal.

REVIEW/RECONSIDERATION OF MEDIA/INSTRUCTIONAL MATERIAL: Parents, guardians, or persons having custody of any student enrolled in NHCS Corporation may request that the use of media materials, basic textbooks, and other instructional materials be reviewed and/or reconsidered according to procedures outlined in NHCS School Board Policy 6161.1.

SCHOOL HOURS: Students should be in the building only during school hours (8 a.m. – 4 p.m.) or while under the direct supervision of a teacher/sponsor or while attending school-sponsored activities.

STUDENT VISITORS: Due to the crowded conditions in the classrooms, hallways and the disruptive effect of visitors upon normal classroom activities, **NO STUDENT** visitors will be allowed at North Harrison High School. Teachers will report any non-students in their class, in the building, or on the premises immediately to the office.

STUDENT WORKERS: The purpose of student workers is to assist teachers in some areas of work. Workers should remain with the teachers they are working for throughout the assigned period. Only those students maintaining grades of C or better in all their classes at the end of a grading period can be student workers. Students are to be on time and stay out of the hall unless on an assignment for the teacher. Students are not to leave their assignment early and are not allowed to eat or drink during classes.

SCHOOL BUS POLICY: The School Corporation provides bus transportation to and from school. Transportation is provided as a service, and an individual student may be denied that service should

his/her behavior warrant. The students are to follow the rules of behavior as prescribed by the bus driver. Such rules include such provisions as assigned seats, remaining seated until the bus is stopped, and not eating or drinking on the bus. These are examples of the rules the bus driver may impose. General rules of student behavior may also be enforced in order to allow the driver to drive the bus safely. The administration will discipline those students that are found to be violating the specific rules of the bus driver or the general rules of safety.

If a student needs to ride a different bus or ride home with a friend, the student needs to bring a note from the parent with permission to the office BEFORE school. The principal or assistant principal must sign the note, which is given to the bus driver. The signed notes may be picked up at lunch. Food and drinks are not allowed on the bus per school board policy.

STUDY HALLS: A student's study period during the day is spent in the study hall. BOOKS AND OTHER MATERIALS NEEDED FOR STUDY ARE TO BE TAKEN THERE AT THE BEGINNING OF THE PERIOD. PROCEDURES: Will be defined and outlined by the teacher and will be posted for each class period. Study halls are to be quiet. Students are to be studying, reading, or working. No talking and no partner studying are allowed. No sleeping is allowed.

TEXTBOOK RENTAL: All basic textbooks are rented to the students for their use during the school year. Workbooks and other supplies are paid for by the student. The student's name should be written on the inside cover of the book. Lost books must be replaced by the student, and damaged books will result in a fine to the student. As stated, the books are rented, and it is the student's responsibility to keep them in good condition. Any student who transfers from North Harrison during the school year is responsible for turning in all rented books.

TUTORING: The National Honor Society offers tutoring Mondays and Wednesdays from 3:30-4:00 in Room A128. There is no charge.

STATEMENT OF NORTH HARRISON HIGH SCHOOL DISCIPLINE PHILOSOPHY

Our purpose is to educate children and to help them grow into responsible adults. We encourage them to socialize and to enjoy learning in a comfortable environment. Should children become disruptive or demonstrate negative behavior, it is not our intent to punish or exclude them from their state right to a public education, but to help them adjust to the social norms of our society. The severity of the disruptive or negative behavior will determine the methods used to change the behavior.

Some of the methods used to change behavior at North Harrison High School are as follows:

- Teacher-student conference
- Individual teacher-classroom discipline procedure
- Parent conference by phone
- Written communications with parent
- Referral to counselor for help
- Parent conference at school
- Parent classroom or school day visitation
- Administrative conference with parent
- Lunch detention
- Before/after school detention
- Corporal punishment
- Alternative Education day
- Out of Class Suspension
- Gerdon Alternative School

DETENTION: Detention period is a time when the student is assigned to stay before/after school or during lunchtime for any infractions of acceptable behavior. Students should fully understand that any school personnel have the authority to correct misconduct at any time. Therefore, it is conceivable that a teacher might assign a detention to a student who is not in any of his/her classes. The teacher will notify parents by a phone call or note, in advance, that a detention has been assigned. A notice to be signed by the parent and returned to the teacher will be given to the student, prior to serving the detention. If

a student misses a detention(s), the detention(s) will be doubled. If one of the double detentions would be missed, the student will be suspended.

OUT OF CLASS SUSPENSION: Out of class suspension is an alternative approach to out-of-school suspension. OCS can be used by a teacher for one day to remove disruptive students from class. OCS means a student is sent to the office where they remain the rest of the class period. Credit will be given for assigned work completed to teacher's satisfaction. Unsatisfactory work will receive a zero (0).

IN SCHOOL SUSPENSION (ISS): Students will be allowed to take or make up all tests, quizzes, notes, or homework. Students may bring their own lunch while serving ISS or may order from the cafeteria; however, they must eat in the ISS room. There are restroom facilities in the office these students may use. Instructors may send students to ISS to finish up homework that was not finished. All Students will be searched before entering the ISS room. (Continual vandalism to the room is the reason for this.)

HARRISON COUNTY ALTERNATIVE SCHOOL: North Harrison High School has elected to use the Harrison County Alternative School as its location for out of school suspended students and students who have been recommended for expulsion. Students who are OSS will be able to make up their work if it is completed correctly and turned in on time. All work must be completed before returning to North Harrison. Expelled students will be allowed to work on mathematics, English, and basic skills credits with a possibility of obtaining a community service credit if they are well behaved and helpful at the alternative school. Students will be in attendance at regularly scheduled times to coincide with the North Harrison High School's calendar. Should a student be assigned to the Harrison County Alternative School, that student is not to practice, participate, observe, or attend any activity of North Harrison High School.

The guidance counselor in the High School assists pupils with:

GRADUATION REQUIREMENTS: The requirements for graduation from North Harrison High School conform with the Rule G-1 of the Commission of General Education of The Indiana State Board of Education. Students will participate in the Commencement exercises only after completing the 40 credits (24 required credits listed below). A credit is awarded for a passing semester average grade for each semester of a course, with the following exceptions: Basic Physical Education is .5 credit each semester; and Prosser Vocational School that earns three credits each semester.

English/Language Arts	8 Credits
Mathematics	4 Credits
Science	4 Credits
Social Studies	4 Credits
Health	1 Credit
Physical Education	1 Credit
Technology	2 Credits

The language arts requirement shall be completed by earning six credits in English 9, 10, 11, or Honors English 9, 10, 11. The two remaining credits may be earned in an elective language arts class, English 12, Honors English 12, or Excel English 12.

The social studies requirement includes two credits in U.S. History and one credit in U.S. Government. Students will be required to earn four credits in the math department during the four years of high school. If as a senior, the student has not passed the math portion of the GQE; it will be recommended the student take ISTEP math.

The four credits of science are to include contents from more than one of the major science discipline categories.

Students are required by the State of Indiana to meet acceptable standards on the ISTEP+ test in order to receive a high school diploma. The only exception to this is explained under Core 40 requirements.

A student may appeal the ISTEP requirement if the student takes the test each year of eligibility in high school; completes remediation activities provided by the school; maintains 95% attendance; maintains a C average in the 24 required credits for graduation; obtains recommendation from subject area teacher(s) where student is below cut scores and a recommendation from principal supported by written evidence that student has attained the educational proficiencies measured by ISTEP; and completes all other graduation requirements. Students who meet the criteria for Core 40 and have a C or above in each course will be able to graduate with a diploma, regardless of ISTEP+ scores.

BEGINNING WITH THE CLASS OF 2012, ISTEP will not be required for graduation. In its place will be End of Course Assessments in Algebra 1 and English 1- which will be taken in the spring upon completion of the course.

Students who do not obtain the necessary credits will be reclassified to reflect their academic standing. Freshmen 0-9 credits, Sophomore 10-19 credits, Junior 20-29 credits, Senior 30 credits and above. Graduates must have a minimum of 40 credits. Once reclassified the student will report with the class they are in for class meetings, locker location, class competition, schedule pick up and report card pick up.

INDIANA CORE 40: The education, business, labor, and government leaders of the State of Indiana have agreed that the current minimum graduation requirements do not adequately prepare students for the future. They have agreed upon a new set of expectations called Indiana Core 40 which will prepare students for the future regardless of whether the student intends to enter a four-year college, two-year college, vocational school, or the work force after high school.

Core 40 goes beyond the minimum graduation requirements, and the State of Indiana currently requires that all students begin a four-year plan, which includes the Core 40 courses. By this endeavor, the state hopes that all Indiana students will envision an educational plan that will empower them to be capable workers and citizens of the future.

Core 40 consists of the following 40 credit requirements:

- Language Arts 8 credits in English, literature or composition
- Mathematics 6 - 8 credits mathematics (from Algebra I, Geometry, Algebra II, Trigonometry, Pre-Calculus, Statistics and AP Calculus)
- Science 6 credits in science (lab science courses) 2 Biology; 2 Chemistry; 2 Earth/Space, Biology II, Chemistry II, Advanced Earth Space, or Physics
- Social Studies 6 credits in social studies (including U.S. History, Government, Economics, World History and/or World Geography)
- Physical Education 1 credit (two semesters)
- Health 1 credit

Choose 8 credits in additional courses from the areas listed above: or from Spanish I-IV, French I-IV, art, music or computers; or at least six credits in a logical sequence from a technical career area including Agriculture, FACS, Business and Prosser

Choose 2 to 4 credits from any courses offered at school

The Core 40 requirements can be met by completing the tech prep, college prep, or academic honors curriculum.

For students who demonstrate financial need, the State of Indiana may award up to 90% public college tuition minus the expected family and student contribution to students who successfully complete Core 40.

ACADEMIC HONORS DIPLOMA: As directed by the State of Indiana, North Harrison will award an Academic Honors Diploma with a special notation on the student's permanent grade transcript to any student who earns 47 credits and meets the following requirements:

- English/Language Arts 8 Credits (Honors English)

- Mathematics 8 Credits (Algebra I, Geometry, Alg. II, Trig. and Pre-calculus, Statistics, or AP Calculus)
- Social Studies 6 Credits (U.S. History, Gov't/Econ. World History or World Geography)
- Science 6 Credits (Biology, Chemistry, and Physics or Bio. II or Chem.II)
- Foreign Language 6 or 8 Credits (3 years-same language or 2 years of one language and 2 years of another)
- Fine Arts 2 Credits (art or music)
- Health 1 credit
- Basic Physical Education .5 credit (two semesters)

In addition, only courses in which the student has earned a grade of "C" or better may count toward these credits. When an academic tracking system is available, only courses in the highest track count (for example, English 12-Honors counts toward the 8 English credits, but English 12 does not). Finally, a student must have an overall grade point average of 3.0 or above. Upon successful completion of the Academic Honors Diploma students who demonstrate financial need may qualify for an award of up to 100% public college tuition minus parent and student contribution.

ALTERNATIVE EDUCATION

Students may take up to eight (8) credits of class work through correspondence courses. Counselor recommendation is required. Most correspondence courses are available only to those seniors who cannot graduate on time unless they take these classes. (Exceptions to this rule should see the Principal or Assistant Principal) Other forms of alternative education would be Opportunities for Success, which is through the Reitz Center. Students may take classes for credit or may enroll in the GED program there. To enroll at Opportunities for Success, a student must be 15 years of age, have permission from a parent if under 18, and must receive permission from the Principal. Credits earned from OFS are on a pass/fail basis only and may not be used for the Academic Honors Diploma or Core 40.

PROSSER VOCATIONAL SCHOOL

Sophomore students may apply to attend Prosser Vocational School in New Albany for vocational training during their junior and senior years. Students who are accepted at Prosser attend three (3) hours each day at Prosser and two (2) at North Harrison. Juniors can earn up to 3 credits at NHHS.

Students attending Prosser earn six (6) credits per year for the three- (3) hours of vocational training each day. Students interested in attending Prosser are urged to see the guidance counselor concerning suggested freshman and sophomore courses for admission to each course of study. To be admitted to Prosser, a student must be able to graduate at the end of the two- (2) years at Prosser.

If a North Harrison Student is suspended at Prosser, he/she is automatically suspended at North Harrison. If suspended from North Harrison, he/she is automatically suspended from Prosser.

PROSSER VOCATIONAL SCHOOL TRANSPORTATION

The North Harrison Community School Corporation will provide school bus transportation to and from Prosser Vocational School both for first and second shift students.

The bus leaves North Harrison at 7:20 a.m. daily with students enrolled in morning classes. Morning classes begin at 8:30 a.m. at Prosser.

Student enrolled in the morning classes at Prosser must provide their own transportation to North Harrison in the morning to meet the departing bus to Prosser.

All students attending Prosser, except cosmetology and work release students, must ride the school-owned bus daily to and from their vocational class. The high school principal or assistant principal may grant an exception to this regulation to students serving an apprenticeship or placed in a workstation in the Greater Louisville area.

PUNISHMENT FOR NOT RIDING THE PROSSER BUS:

- 1st & 2nd Offense – 45 minute detention after school to be served within two days
- 3rd Offense – In School Suspension (ISS) for North Harrison classes only

4th Offense – In School Suspension (ISS) for the entire day

5th Offense – Harrison County Alternative School

The bus is a service provided by the corporation in an effort to ease some of the transportation expenses and problems experienced by our students in the past. This bus will be considered a regular corporation routed bus. Thus, all the rules and regulations concerning student conduct will apply to this bus as they do to all corporation buses. This service can be denied any student whose conduct warrants removal from the bus. Suspension from this bus would preclude that student's attendance at Prosser during the period of his/her suspension. Students who do not ride the bus to/from Prosser are subject to discipline unless they receive prior approval to drive from the Principal or Assistant Principal.

MID TERM GRADUATES

A student may graduate from North Harrison after having attended full time for seven semesters, completed all course requirements and having passed all portions of the GQE. Students choosing this alternative will not participate in any extracurricular activities but they could attend the prom and the senior activities surrounding graduation. The students are required to declare this option in writing in the spring before they become seniors unless an emergency occurs. Parents/guardians or students over 18 years of age will have to sign off on this agreement. If the student does not meet the above requirements they will continue as a full time student.

THE POST SECONDARY ENROLLMENT PROGRAM: The post secondary enrollment program is established for secondary students in grades 11 and 12. A student may, upon approval of that student's school corporation, enroll in courses offered by an eligible college institution on a full time basis or part time basis during grade 11, grade 12, or both.

CALENDAR FOR COLLEGE ADMISSION

Junior Year -

- October: Take PSAT/NMSQT (a practice college admission's test and scholarship qualification test).
- February-May: Start checking-out college catalogues in the guidance office. Schedule campus visits to those colleges of interest.
- May or June: Take first SAT (college admission's test).
- June: If interested, start the application processes for ROTC scholarships.

Senior Year -

- During the summer months prior to the start of school is the best time to schedule visits to colleges.
- September - March: Schedule campus visits of interested colleges. Make appointments with an admissions counselor and a financial aid officer.
 - October - March: If interested, apply for state and national scholarship competitions.
 - October: Visit area college fairs to compare colleges.
 - November - January: If necessary, retake SAT.
 - November: Apply to college(s).
 - January - February: Fill out the FAFSA (free application for federal student aid) to qualify for any need-based scholarships at the state or national levels.
 - January - April: Apply for local scholarship competitions.
 - April: Finalize college choice and housing arrangements.

COLLEGE VISITATIONS: Juniors and seniors will be allotted two college visitation days per year. The visits will count as a field trip if, prior to the visit, the student obtains and completes a college visitation form from the Guidance Office. Students must be passing all classes in order for a college day to be approved. These days may be refused if the student has **poor attendance** during the school year. Students are encouraged to make campus visits during the summer or non-school days. NO college visitations are allowed during the month of May.

SCHEDULING INFORMATION: Scheduling for the next school year will begin in January. A scheduling form will be sent home with the student for parents to approve the classes selected for the next year. All students must schedule six (6) classes each semester.

Every effort will be made to make the master schedule as conflict-free as possible. However, conflicts will inevitably arise for some students, especially when several single-section classes are requested. When the master schedule is built, seniors will be given preference, then juniors, etc. Required courses will be given preference over elective courses.

SCHEDULE CHANGES AND DROPS: All students' original schedule requests provide the data used to build the final master schedule. Consequently, these requests should be finalized by May 1 of the school year preceding the scheduling requests. This should give the student, parents, teachers, and counselor ample time to determine whether the student has the ability to succeed in the classes he/she has requested for the following school year.

If the student and parents/guardians believe some unusual circumstance has occurred over the summer, which merits a schedule change, they should contact the counselor before the beginning of the school year. (The counselor will be available at the school two weeks before the start of the school year.) Schedule changes may be made at this time depending upon the reason for the change and how the change would affect class sizes. Any classes dropped from a student's schedule after the first week that class meets will result in a grade of "F."

Sometimes a student's performance in the first semester may indicate a change would be appropriate for the second semester. These changes should be made before the start of the second semester and will be made only if class sizes will not be negatively affected. Parents/guardians and teacher approvals will be needed to make such a change. Because North Harrison is very limited on the number of one-semester classes offered at the beginning of the second semester, the students' choices for replacement classes will be very limited, especially if some of these classes are already full. Due to the amount of paperwork and time needed to issue refunds, only refunds over ten dollars on textbook rental will be processed when a change occurs.

WRITTEN CONSENT OF STUDENT WITHDRAWAL: An exit interview involving student, parent/guardian, and principal is required by law for a student who withdraws from high school prior to graduation or age eighteen (18). All three parties must agree to the withdrawal or it will be denied.

HONOR ROLL: An Honor Roll will be assembled in the guidance office at the close of each grading period and each semester. It will be published in the local papers. The Honor Roll consists of two levels of achievement:

- A. High honors will be given to students with nothing less than an A- in all classes.
- B. Honors will be given to those with nothing less than a B- in all classes.

AWARDS: The started Renaissance Program will reward North Harrison High School students who have demonstrated academic excellence, good behavior and excellent attendance. The programs will be two times a year.

WEIGHTED CLASSES: The following classes will be considered weighted and have one extra grade point added to any grade. A=5 points, B=4 points, C=3 points, D=2 points; however an F is still failing and receives zero points.

Transfer students' placement on the awards system will be decided on by the principal. No awards will be given based solely on grades from another school.

SEMESTER GRADE AVERAGING: Grades will carry the following point value on a 4 point scale:

A	=	4.0
B	=	3.0
C	=	2.0
D	=	1.0
F	=	0

Semester grades will be determined by a combination of nine weeks grades and a final examination or appropriate evaluation activity to be determined by the individual teacher and posted in writing in their rooms.

GRADE POINT AVERAGES will be figured twice a year, once after the first semester and again in the early summer when the second semester is over and everything is official. Weighted classes will be figured along with regular classes and to establish class rank a student who takes and passes seven classes in a semester will be rewarded with one additional point, provided they attain C's or better in all seven classes.

Senior class rank is based on all 8 semesters of attendance and not 7 to determine Valedictorian & Salutatorian. Seniors – your class rank will depend on your entire career – it will not stop at the end of 1st semester.

NATIONAL HONOR SOCIETY: Sophomores, Juniors, and Seniors who have at least an 3.25 GPA will be invited to apply for membership in NHS. To continue membership, each student is encouraged to participate in all service obligations, and maintain a majority support of the faculty committee based upon the student's character, leadership, scholarship, and service.

TESTING PROGRAM: North Harrison High School is required by law to participate in the Indiana Statewide Testing for Educational Progress (ISTEP+) Program. There are many tests given throughout the high school experience. It should be remembered that test results are only an indicator and should be used with this in mind. It is never proper to take the results of one (1) test and assume that those results are a valid measurement of the student's ability. The ISTEP+ test is mandated for all sophomores. End of Course Assessment will be taken in all required courses by the State DOE. Refer to Graduation Requirements and Core 40 to understand how the results of these tests will be utilized. PSAT (sophomore and junior year), National Merit (junior year only), SAT are given at various times and locations and need to be taken during the junior and senior years of high school as possible predictors of academic success in post secondary institutions.

BEGINNING WITH THE CLASS OF 2012, ISTEP will not be required for graduation. In its place will be End of Course Assessments in Algebra 1 and English 1- which will be taken in the spring upon completion of the course.

SECTION 504: No otherwise qualified student with a handicap as defined in section 706(6) of the federal statute for Section 504 of the Rehabilitation Act of 1973 shall, solely on the basis of his or her handicap, be denied participation in, be denied the benefits of, or be subjected to discrimination under any program or activity offered or sponsored by North Harrison High School.

Student Council

WHAT IS RENAISSANCE?

The Renaissance program promotes student academic achievement and attendance. It also rewards staff members for their many contributions to our school. The program recognizes an attitude of success and improvement and builds self-esteem. Renaissance is a partnership between North Harrison and the community.

Every student has an opportunity to receive a Success card by improving grades and attendance. A Success card can only be obtained through student involvement. A student must recognize his/her intent to achieve a certain level of card, meet the requirements established to secure that card, and apply for that card after each semester.

Awards for each level will be on the back of the cards. The incentives are limited only by the generosity of participating businesses in our community and the creativity of the school staff. Naturally, the higher level of card you obtain, the more significant the incentives.

INDIVIDUAL CARD CRITERIA ARE LISTED BELOW: (GPR FOR PREVIOUS SEMESTER)

Card	Gold	Silver	Blue	White	Green
GPA	4.0	3.5	3.0	2.5	Raise GPA from previous semester

Criteria for all cards:

No more than 3 excused absences (Students may request an appeal hearing if there are extenuating circumstances.)

*No unexcused absences

*No suspensions, including in-school suspensions

***Cards will be revoked throughout the semester for all suspensions and/or corporal punishment.**

There are numerous benefits to becoming a Renaissance Success cardholder.

**There will be a drawing for a cash prize every Friday morning. Each member is eligible to win once per semester.

**Card Day - The third Wednesday of each month will be "Card Day". Parent volunteers or business representatives will hand out incentives donated by local businesses during lunch.

**Teacher Sponsored Rewards - Talk to your teachers to see what they are offering as classroom incentives to those with Success cards. You may really be surprised.

***Early Lunch Dismissal - All card bearing members will be allowed a 5-minute early lunch dismissal every Wednesday (pizza day).

***Additional incentives may be added periodically.

Our goal is to have every student enrolled at North Harrison High School as a Renaissance member. Can we count on YOU?

POLICY ON BULLYING

Definition: Bullying is defined as intentional, repeated hurtful acts, words or other behavior, such as name-calling, threatening and/or shunning committed by one or more children against another; an imbalance in real or perceived power must exist between bully and victim; not intentionally provoked by the victims; includes various forms of hazing (initiation rites).

1. This rule applies when a student is:
 - On school grounds immediately before or during school hours, immediately after school hours, or at any other time when school is being used by a school group (including summer school);
 - Off school grounds at a school activity, function, or event;
 - Traveling to or from school or a school activity, function, or event; or
 - Using property or equipment provided by the school.
2. Bullying by a student or groups of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the other student through overt, repeated acts or gestures, including verbal or written communications transmitted, and/or physical acts committed, or any other similar behavior is prohibited.
3. "Cyber" bullying is prohibited.
4. Parents or students who suspect that repeated acts of bullying are taking place should report the matter to the school principal or designee. School personnel will investigate all reports of bullying.
5. Counseling, corrective discipline, and/or referral to law enforcement will be used to change the behavior of the perpetrator. This includes appropriate intervention(s) restoration of a positive climate, and support for victims and others impacted by the violation.
6. Educational outreach and training will be provided to school personnel, parents and students concerning the identification, prevention, and intervention in bullying.
7. All schools in the corporation are encouraged to engage students, staff and parents in meaningful discussion about the negative aspects of bullying. The parent involvement may be through parent organizations already in place in each school.

I.C. 5-2-10.1-12

Internet and Computer Acceptable Use Policy North Harrison Community School Corporation

Please read the following carefully before signing the Internet and Computer Access Agreement:

Introduction: Internet and computer access is available to qualifying students, teachers, staff, administrators and invited guests at North Harrison Community School Corporation, hereinafter referred to as "NHCS." Persons who use these computing facilities do so as guests of NHCS and are expected to conduct themselves accordingly. Our goal is to promote innovation and educational excellence by using Internet tools for research, worldwide resource sharing, and communication.

The Internet is an electronic highway connecting millions of computers all over the world. Internet services provide access to electronic mail, public shareware of all types, many university card catalogs, and massive databases on computer networks at universities, government agencies, public and private industry.

Issues: With access to computers and people all over the world also comes the availability of material that will not be considered to be of educational value in the context of the school setting. The Internet may contain material that is objectionable from many points of view. There is, however, a wealth of educational material available. Parents and guardians need to decide whether to permit their children to access the Internet.

NHCS has decided to use Vericept filtering and monitoring software at the present time. Vericept is designed to identify web sites that educators believe are inappropriate for students and to prohibit access to those sites. NHCS believes that Vericept filters most inappropriate sites. However, no system is perfect. On a global network it is impossible to control access to all materials that are objectionable or inappropriate. In addition, an industrious user may be able to gain access to sites that are supposed to be filtered. NHCS cannot and does not represent that users will not have access to inappropriate or objectionable material. Parents and guardians must consider this in deciding whether to permit their children access to the Internet.

Responsibilities: Internet access is coordinated through a complex association of government agencies and regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct of the end-user who must adhere to strict guidelines. These guidelines are provided so that you are aware of the responsibilities you are about to acquire. In general, your responsibilities require ethical, efficient, and legal use of all NHCS network resources. Each student having Internet access will participate in a discussion with his or her sponsoring teacher regarding acceptable behavior and use of the network.

If a NHCS user violates any of these terms and conditions, his or her Internet and computer access will be terminated and future access could be denied. The signature(s) on the Internet and Computer Access Agreement form is/are legally binding and indicate(s) the party/parties who signed has/have read the terms and conditions carefully and understand(s) their significance and agree(s) to abide by these terms.

1. Acceptable Use: Internet and computer use must be consistent with the educational objectives of NHCS.

- Computer accounts shall only be used by the authorized owner of the account. No attempt to gain unauthorized access to accounts is permitted.
- Attempts to obtain access to restricted sites, servers, files, databases, etc. are prohibited. Unauthorized access to other systems (e.g. "hacking") is prohibited.
- Use of Internet and computer games and chat protocols (e.g. "instant messaging") are not allowed.
- Transmission of any materials in violation of any law is prohibited. This includes, but is not limited to: copyrighted materials, threatening or obscene materials or materials protected by trade secrets.
- Personal addresses, phone numbers, and financial information should not be included in network communication.

- Passwords must be kept private and should be changed frequently.
- Internet and computer use for commercial purposes, financial gain, personal business, product advertisement, or political lobbying (including student body elections) is prohibited.
- Vandalism is not permitted and will be strictly disciplined. Vandalism is defined as any attempt to harm or destroy data of another user or of another agency or network that is connected to the Internet. Vandalism includes, but is not limited to, damaging NHCS computer equipment and electronics, the uploading, downloading, or creation of computer viruses. It also includes attempts to gain unauthorized access to a network that is connected to the Internet.

2. Privileges: Internet use is a privilege, not a right, and inappropriate use will result in a loss of network privileges, disciplinary action, and/or referral to legal authorities. The system administrators will close an account when necessary. An administrator or faculty member may request the system administrator to deny, revoke, or suspend specific user access and/or user accounts.

3. Netiquette: You are expected to abide by the generally accepted rules of network etiquette. These include (but are not limited to) the following:

- Be polite.
- Do not be abusive in your messages to others.
- Use appropriate language.
- Do not swear, use vulgarities or any other language inappropriate in a school setting.
- Do not reveal personal information of students or colleagues

4. Services: NHCS makes no warranties of any kind, whether expressed or implied, for the service it is providing. NHCS will not be responsible for any damages you suffer while on this system. These damages include loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions caused by power outages, equipment failure, negligence, errors, or omissions. Use of any information obtained via Internet is at your own risk. NHCS specifically denies any responsibility for the accuracy or quality of information obtained through its services.

5. Security: Security is a high priority on computer networks. If you identify a security problem, you must notify the system administrators immediately. Do not demonstrate the problem to other users. You may not use the NHCS network or the Internet to discuss or disseminate information regarding security problems or how to gain unauthorized access to sites, servers, files, etc. Do not use another individual's account or allow another individual to use your account.

North Harrison Community School Corporation Guidelines for Access and/or Accounts

1. Elementary and secondary students applying for access and/or an account will participate in a discussion with their sponsoring teacher regarding this Acceptable Use Policy (AUP).

2. Users may be granted an account for as long as they are associated with NHCS on the following conditions:

- All users must read and agree to follow all guidelines outlined in this AUP. This agreement is formalized through their signature on the application.
- Students must obtain the signature of a parent or guardian on the application.
- Students must have at least one teacher sponsor sign the application.
- Students must be supervised during use of the Internet and/or computer stations.

3. Except for special circumstances, users may not maintain accounts upon leaving the school district.

NORTH HARRISON COMMUNITY SCHOOL CORPORATION

In this event and in accordance with the provisions of I.C. 20-8.1-5.1, administrators and staff members may take the following actions:

1. **Removal from Class or Activity - Teacher:** 1) A middle school, junior high, or high school teacher will have the right to remove a student from his/her class or activity for a period of up to one (1) school day if the student is assigned regular or additional work to be completed in another school setting. 2) An elementary teacher will have the right to remove a student from his/her classroom or activity for a period of up to one (1) school day if the student is assigned regular or additional work to be completed in another school setting.

2. The meeting shall precede suspension of the student except where the nature of the misconduct requires immediate removal. In such situations, the meeting will follow the suspension as soon as reasonably possible following the date of the suspension.
3. Following the suspension, the parent or guardian of a suspended student will be notified

in writing. The notification will include the dates of the suspension, describe the student's conduct, and the action taken by the principal.

Expulsion Procedures

When a principal (or designee) recommends to the superintendent (or designee) that a student be expelled from school, the following procedures will be followed:

1. The superintendent (or designee) may conduct an expulsion meeting; or may appoint one of the following persons to conduct the expulsion meeting:
 - a. legal counsel
 - b. a member of the administrative staff who did not expel the student during the current school year and was not involved in the events giving rise to the expulsion.
2. An expulsion will not take place until the student and the student's parent are given notice of their right to appear at an expulsion meeting conducted by the superintendent or the person designated above. Failure by a student or a student's parent to request and to appear at this meeting will be deemed a waiver of rights administratively to contest the expulsion or to appeal it to the school board.
3. The notice of the right to an expulsion meeting will be in writing, delivered by certified mail or by personal delivery, and contain the reasons for the expulsion and the procedure for requesting the meeting.
4. At the expulsion meeting, the principal (or designee), will present evidence to support the charges against the student. The student or parent will have the opportunity to answer the charges against the student, and to present evidence to support the student's position.
5. If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found to be appropriate, and give notice of the action taken to the student and the student's parent.

The student or parent has the right to appeal the decision of the person conducting the expulsion meeting to the school board within ten (10) days of the receipt of notice of the action taken. The student or parent appeal to the school board must be in writing. If an appeal is properly made, the board must consider the appeal unless the board votes not to hear the appeal. If the board hears the appeal, it will consider the written summary of the expulsion meeting and the arguments of both the school administration and the student and/or the student's parent. The board will then take any action deemed appropriate.

Annual Notice to Parents and Students of Their Rights Concerning Education Records

To Parents and Student:

Education records are governed by federal and state laws and regulations. The requirements of these laws and regulations are contained in school board policy #5125, entitled Education Records. Generally this policy provides for the following:

1. **Records are confidential and may be disclosed only as provided in the policy.**
2. **The policy concerns both elementary and secondary student education records.**
3. **Parents and students have a right to examine their student's education records at reasonable times.**
4. **Before education records are disclosed to third parties, the school requires a signed and dated written consent of either: (1) A parent of a student who is less than 18 years of age and not attending a post-secondary educational institution; or (2) A student who is at least 18 years of age or attending a post-secondary institution (an eligible student).**
5. **Certain persons may examine education records without a parent's or eligible student's consent, as provided in the above paragraph. These include school officials who have legitimate educational interests; officials of another school, school corporation, or institution of post-secondary education where the student seeks or intends to enroll; and officials of another school, school corporation, or other educational agency in which the student is enrolled or receiving services. This School Corporation forwards education records to these agencies without prior notification to the parent or eligible student.**
6. **Directory information will be released to media organizations (including radio, television, and newspapers), colleges, civic or school related organizations, and state or local government agencies without the consent of a parent or eligible student. Directory information includes the student's name, address, parent home and work telephone number, major field of study, participation in officially recognized activities and sports, height and weight of members of athletic teams, dates of attendance, awards received, motor vehicle description (including license plate number), hair and eye color, race, sex, date of birth, height, weight, grade level, and other similar information which would not generally be considered harmful or an invasion of privacy if disclosed. A parent or eligible student may object to disclosure of any of the categories of directory information by filling form (Denial of Permission to Release Certain Directory Information Without Prior Written Consent) from the principal's office no later than fourteen (14) calendar days from the date of receipt of this notice.**
