Dear Parents,

Biddy ball season is once again here!! I have attached the sign up form with this letter. Forms are due October 6th. The forms can be mailed to me at the high school or turned in to the offices at Morgan and North Harrison Elementary. Biddy ball will be run a little differently this year. There will be three different leagues that players can participate in. The 1st and 2nd grade league will remain the same; those players will be divided into teams and will play games against each other using a youth ball on a nine foot goal. However, we have decided to split the 3rd and 4th graders into two leagues: competitive and developmental. On October 25th we will have skill evaluations for all 3rd and 4th grade players. This will take place in the high school gym from 12:00-1:30. My coaching staff and I will work with the players and decide in which league each player should be placed. Coaches will notify players the following week concerning team assignments and game times. All games will begin on Saturday, November 1, 2014. If we do not have enough coaches, I will use high school players to coach the teams. Please do not hesitate to contact me if you have questions. I look forward to seeing you and working with your sons.

Thank You,

Kevin Jones
