## What?

NHHS Men's Soccer Coach Clint Clark & NHHS Women's Coach Jeff Butler will lead along with other staff and high school players a program called the NH Kick Stars. It is designed to teach young players (K-5th) the basic foot skills and technique to feel comfortable with the ball. We believe it takes thousands of touches on the ball to become proficient. This program is an introduction style which means we do not play any external teams. We only scrimmage against each other internally to put the skills we learn into a game situation.
