### Packet Contents:

- **National Savings 'Entertainment' App** – Students will sell this app as one of their fundraiser items. This is an AWESOME app! When somebody buys this, they will receive a card with a Membership Code to put into the app. The membership is good for 1 year from the date that it was activated. This app is good throughout the U.S. and Canada. It is made by the same people that made the 'Entertainment' Coupon Books. The biggest difference is that because it's an app on your phone, you will always have it with you. Also, the app is tied to your GPS on your phone, so when you are in Florida, you will have coupons, offers, and deals for Florida. When you are in Indiana, you will have coupons, offers, and deals for Indiana. One example of a coupon is a 'Buy one dinner, and get one free' at Ryan's in Corydon. That alone will almost pay for the app. This app offers amazing savings and deals, and is definitely worth the cost!
- **Delicious Made Easy** – Students will sell 'Southern Living' cookie dough, 'Auntie Anne's' pretzels, 'Homemade Gourmet' soup mixes, and a variety of other beverages, appetizers, desserts, and food items from this catalog. These items will be perfect compliments to the upcoming holiday season.
- **Reach Out Forms** – Even if a student decides not to sell anything, please have them complete this form. They simply need to provide **8 names and addresses** so that we can send a booklet to see if their relatives and/or friends would like to extend, renew or purchase their favorite magazines at up to 80% off newsstand prices. There is no obligation for them to buy anything, but just filling out these 8 cards can really help our fundraiser.
- **Student Collection Envelope** – This is the envelope that students will use to collect all cash and checks to be turned in with the fundraiser. Money needs to be collected as the orders are placed. Please make sure all information on the front of the envelope is completed before the orders are turned in.
- **Order Form** – All orders must be written on the order form and will need a name, item code, brief description, and cost written on this order form.
