

## Support Your School Library

“I don't know where I'd be without my school library,” said Kinney. “Our librarians were passionate about putting great books in the hands of kids, and making us into lifelong readers. School libraries introduce kids to whole new worlds and new perspectives and are so important in broadening kids' minds. It's crucial that we support our school libraries, especially in times of tightening budgets. I'm so grateful for the well-stocked libraries and knowledgeable, dedicated school librarians that were a part of my childhood.” *From the American Association of School Librarians*

The 2014 theme is **Lives change @ your library®** and Jeff Kinney, *New York Times* bestselling author of the Diary of a Wimpy Kid series, has been named the national spokesperson.

Dear Parents,

In celebration of the AASL National School Library Month, The Harrison County Community Foundation is making a very generous offer. For every dollar that is donated, they will double that amount and match it! So if one donated \$10, it becomes a \$30 donation to the library to spend on new books. All donations are also tax deductible. This is only for the month of April.

If you would like to make a donation, checks must be made payable to **HCCF**. In order for the middle school to get the donation, please put **NHMS Library** on the memo line of the check. You may send your check to school with your child. Please be sure to note on the envelope that it is for the Library Fund. Donations should be here by **April 22**. We will be happy to deliver the donations to the Foundation before the end-of-April deadline. Donations may also be mailed to **P.O.Box 279, Corydon, IN 47112** or online at the **HCCF website: [www.hccfindiana.org](http://www.hccfindiana.org)**

This is a rare and wonderful opportunity for you child's library.

If you have any questions about the Library Endowment or details about the 2:1 match, please feel free to contact the Foundation office at (812)738-6668

Sincerely,
