Join North Harrison Lady Cats Volleyball for the 5th- and 6th-grade travel volleyball season. Athletes will have the opportunity to practice and participate in games with middle and high school coaches, while building the skills they will need to be successful in middle school volleyball.

There will be an emphasis on serving and passing, as well as instruction on all fundamentals. Athletes will also begin to familiarize themselves with the different positions that they might play in middle and high school.

There will be approximately two practices and two matches per week, culminating with a final tournament. All practice and game locations are located on the schedule on the back.

Athletes will be expected to provide their own transportation to all practices and matches, with the exception of the Orleans match, for which we will provide transportation.

All athletes will receive a t-shirt as a part of their participation. Knee pads are recommended, but not required.
