I acknowledge that I have received a copy of the Internet and Computer Acceptable Use Policy for North Harrison Schools and that I have read that policy and understand the terms outlined for using North Harrison Schools technology including accessing the Internet. I also acknowledge that I am responsible for my user identification and password. I further acknowledge that any violations of the policy as written may result in the cancellation of some or all access privileges. I also acknowledge that all provisions of the Internet and Computer Acceptable Use Policy are subordinate to local, state, and federal statute. As a staff member of North Harrison Community Schools I further acknowledge that misuse of the Internet and computer systems will result in appropriate disciplinary and/or legal action. I also acknowledge that I am responsible for those students under my supervision accessing the Internet and computer systems both in my classroom and in a computer lab.
