Harrison County Health Department and Harrison County Hospital announce the opening of the Harrison County COVID-19 testing site October 1st, 2020.

HARRISON COUNTY COVID-19 DRIVE THRU TESTING SITE

A HARRISON COUNTY HEALTH DEPARTMENT | HARRISON COUNTY HOSPITAL PARTNERSHIP

- WHO:** Indiana residents of any age who wish to be tested. Testing is free of charge.
- WHAT:** COVID-19 Testing, appointments and walk –in accepted. Walk-ins must still be registered.
- WHEN:** The site will open to the public October 1st, 2020 and run through June 30th, 2021.
Days and Hours are Tuesday thru Saturday, 9:00am to 1:00pm
Additional late hours Tuesday and Thursday, 3:00pm to 6:00pm.
Open the first 3 Saturdays each month.
- WHERE:** May & Joe Rhoads Memorial Pool
2150 Poolside Drive,
Corydon, IN 47112
- HOW:** Online registration for patients is the preferred method for making an appointment:
<https://scheduling.coronavirus.in.gov/Home/LocationSelection>
If registration assistance is needed, individuals may contact the Harrison County Health Department at 812-738-3237

For the safety of our staff and volunteers, patrons are required to wear a face mask to this site.

In cases of inclement weather, the testing site will be converted to a walk thru test site.

Site will be closed on all Government Holidays.

Funding for this testing site is provided by the Indiana State Department of Health and Local funding sources.
