

Morgan Elementary Dress Code

Please do not send students to school wearing tee-shirts with slogans, pictures, or suggestive phrases that may be deemed inappropriate for elementary age children. Clothing or jewelry which advertises or portrays items pertaining to alcohol, tobacco, drugs, obscene references, or printing which is in questionable taste will not be permitted. Sunglasses and hats are not permitted to be worn inside the building except by special permission. Student's hair should be an appropriate style and natural color.

Belly buttons and midriffs must be covered at all times. Midriffs and halters are not permitted. Spaghetti strap, tank tops with large armholes, and off the shoulder tops are not permitted unless worn with a t-shirt underneath. The straps of tank tops worn alone must be as wide as the width of three student fingers. Students are allowed to wear shorts, but short shorts are not appropriate. Shorts and skirts should extend beyond the fingertips of the child when they hold their arms and hands at their sides. Low cut pants should not be worn at school. Students should be able to raise their arms and not expose their midsection.

Platform shoes, high heels, and flip flops are not appropriate footwear for school. Students may not wear roller skate shoes.

Sandals in general are discouraged. Our students play outdoors year round. For the safety of all students, make sure gym shoes are worn on PE days.
